

THE EARLY YEARS OF MINNESOTA TRACK & FIELD

1913

The University of Minnesota did not sponsor a Northwestern Interscholastic in 1913 and was chided by the sportswriters in 1914 for the omission. Throughout the spring both Minneapolis and St. Paul papers make reference to a "Monster Meet", but when the meet finally comes off it is billed as the Twin City Championship. I've chosen to print results of that meet and the Carleton Invitational, which has been open to all schools in Minnesota except for those from St. Paul and Minneapolis.
