

2008 MINNESOTA BOYS TRACK and FIELD ANNUAL

Abridged version- All-Time & Class Lists are removed.

Compiled by Tim Miles - Saint John's University and
Bill Miles - Wayzata High School

THANK YOU

Thank you to all coaches and others who sent results. Your efforts are essential toward making these more nearly complete lists. Thanks to Minnesota's high school track and field athletes, past and present, whose outstanding performances make this effort enjoyable.

MEA CULPA

Please forgive any errors or omissions and make us aware of them. We have done a rigorous search but are aware that neither our 2007 lists nor our all-time lists are complete.

TIMING

The National Federation Rule Book states that unless a timing system is fully automatic, times registered in one-hundredth of a second must be rounded up to the next tenth-second. Example: 10.42 will be recorded as 10.5 unless fully automatic timing is used. In ranking performances, we add 0.24 to manual times to approximate the fully automatic timing equivalent. Example: a hand time of 11.0 seconds would be considered equivalent to a fully automatic time of 11.24 seconds.

METERS / YARDS

Our All-Time Minnesota lists mix performances run at metric and English distances. Metric performances and their equivalents are listed. If the race was run at an English distance (yards), the actual performance follows name, school, and year in parentheses. Where an event was run only at the English distance and is no longer contested, performances are listed as run. Conversion factors vary by event and account for the slower pace of the longer event.

CONVERSION FACTORS

220 yards x .9935 = 200 meters
440 yards x .9933 = 400 meters
880 yards x .9933 = 800 meters
one mile x .9934 = 1600 meters
two miles x .9937 = 3200 meters
120 yard hurdles x 1.0025 = 110 meter hurdles
440 yard relay x .9945 = 400 meter relay
880 yard relay x .9942 = 800 meter relay
one mile relay x .9933 = 1600 meter relay
two mile relay x .9933 = 3200 meter relay
one mile sprint medley x .9934 = 1600 meter sprint medley
2.5 mile distance medley x .9934 = 4000 meter distance medley

2008 MINNESOTA BOYS TRACK AND FIELD ANNUAL

To receive a free copy of the 2008 Minnesota Boys Track and Field Annual, send the following by June 30, 2008:

- (1) Your varsity meet results from May 1 through Sections – not just *your* team's performances, but complete meet results. However, if the meet is on raceberryjam.com, we will already have it. Indicate whether results are hand timing or fully automatic timing (FAT).
- (2) Send results from earlier meets if they include notable performances.
- (3) Correct spelling and the year in school of your athletes who might make a top 80 list.

Send to:

Tim Miles
Track and Field Coach
Saint John's University
