

## 2020 TCRC Showcase - Small School Boys - at Island Pine Golf Course, Atwater - Saturday, October 31, 2020

Due to Covid 19, the MSHSL chose to not sponsor any Fall State Championships and the High School Cross Country season ended on October 24th. TC Running Company sponsored a statewide invitational modeled after the Nike Heartland Meet and invited club teams and individuals from around the state to compete in a meet. Their meet followed the Minnesota State Health Department guidelines for athletic events during the Covid19 pandemic. Although this was not a MSHSL Championship Meet, it did provide a finale for the high school state harriers. In the Small School Boys race, eight of the twelve teams rated in the Final A Coaches poll competed and ten of the top eleven rated individuals participated.

The Boys Small School Race was run in five waves.
