

2017
MINNESOTA BOYS
TRACK and FIELD ANNUAL

Bill Miles

Tim Miles
Saint John's University

THANK YOU

Thanks to Minnesota's high school track and field athletes, past and present, whose outstanding performances make this effort enjoyable.

MEA CULPA

Please forgive any errors or omissions and make us aware of them. We have done a rigorous search but are aware that neither our 2017 lists nor our all-time lists are complete.

SEND ALL OMISSIONS OR ERRORS TO:

Bill Miles at billmiles78@hotmail.com

TIMING

The National Federation Rule Book states that unless a timing system is fully automatic, times registered in one-hundredth of a second must be rounded up to the next tenth-second. Example: 10.42 will be recorded as 10.5 unless fully automatic timing is used. In ranking performances, we add 0.24 to manual times to approximate the fully automatic timing equivalent. Example: a hand time of 11.0 seconds would be considered equivalent to a fully automatic time of 11.24 seconds.

METERS / YARDS

Our All-Time Minnesota lists mix performances run at metric and English distances. Metric performances and their equivalents are listed. If the race was run at an English distance (yards), the actual performance follows name, school, and year in parentheses. Where an event was run only at the English distance and is no longer contested, performances are listed as run. Conversion factors vary by event and account for the slower pace of the longer event.

CONVERSION FACTORS

220 yards x .9935 = 200 meters
440 yards x .9933 = 400 meters
880 yards x .9933 = 800 meters
1500 meters x 1.0729 = 1600 meters
one mile x .9934 = 1600 meters
3000 meters x 1.0708 = 3200 meters
two miles x .9937 = 3200 meters
120 yard hurdles x 1.0025 = 110 meter hurdles
440 yard relay x .9945 = 400 meter relay
880 yard relay x .9942 = 800 meter relay
one mile relay x .9933 = 1600 meter relay
two mile relay x .9933 = 3200 meter relay
one mile sprint medley x .9934 = 1600 meter sprint medley
2.5 mile distance medley x .9934 = 4000 meter distance medley
